Re: Nos. 22-1334 (lead) & 23-1151, *Entergy Arkansas, LLC, et al. v. FERC*

Dear Clerk Langer:

Cleco Cajun LLC, Cleco Corporate Holdings LLC, and Cleco Power LLC (collectively Cleco), intervenors supporting Petitioner Entergy, will not be submitting or joining an intervenor brief in this case. Upon review of Entergy's brief filed November 13, 2023, and in the interest of brevity and judicial efficiency, Cleco fully supports Petitioner Entergy and does not believe additional briefing is necessary. For the reasons stated by Petitioner Entergy, we join in asking that the petition for review be granted, and the challenged decisions be reversed and remanded. Cleco appreciates the Court's attention to this matter.

Very truly yours,

/s/ Matthew A. Fitzgerald
